

1. REHES Network News

- **Save the date: 5th REHES conference in Lucerne from Nov. 2-3 2023**
The Lucerne University of Applied Sciences and Arts will organize the fifth REHES conference. It will take place on 2 and 3 Nov. 2023 in the premises of the Business School, which are in the immediate vicinity of Lucerne's main railway station. For more information, please see the call for contributions, which will be published in February.
- **From the Network Coordinators**
We welcome Annette Guignard and Dr. Julian Dederke (both ETH Zurich) as new members of REHES. Both work in the [Knowledge Management group at ETH Library](#).
- **REHES Working Paper Series**
The Call for Publications for the REHES Working Paper Series is published (<https://lnkd.in/e7HViq8U>). We look forward to receiving your contributions. You can find all the information incl. the author's notes on the REHES website (<https://lnkd.in/ePuRbjaJ>). Please feel free to forward the call to other colleagues who may be interested.
